MAGISTRATE NO. 16 . 929M  
**UNDER SEAL**

**APPLICATION**

The United States of America, moving by and through Conor Lamb, its undersigned counsel, respectfully submits under seal this ex parte application for an order pursuant to 18 U.S.C §§ 3122 and 3123, authorizing the installation and use of pen registers and trap and trace devices ("pen-trap devices") to record, decode, and/or capture dialing, routing, addressing, and signaling information associated with each communication to or from Metro PCS on **412-277-2555**, utilized by David Tyrone STEVENSON, JR.. In support of this application, the United States asserts:

1. This is an application, made under 18 U.S.C. § 3122(a)(1), for an order under 18 U.S.C. § 3123 authorizing the installation and use of a pen register and a trap and trace device.
2. Such an application must include three elements: (1) "the identity of the attorney for the Government or the State law enforcement or investigative officer making the application"; (2) "the identity of the law enforcement agency conducting the investigation"; and (3) "a certification by the applicant that the information likely to be obtained is relevant to an ongoing criminal investigation being conducted by that agency." 18 U.S.C. § 3122(b).
3. The undersigned applicant is an "attorney for the government" as defined in Rule 1(b)(1) of the Federal Rules of Criminal Procedure.

Investigation, pursuant to 18 U.S.C. § 3124(c), for reasonable expenses incurred in providing facilities and assistance in furtherance of this Order.

It is believed that, in order to properly evaluate the information gained through use of the registering device, it will be necessary that Metro PCS and other pertinent electronic communication service providers (including Cingular Wireless, T-Mobile USA, Verizon Wireless, Verizon, Inc. - PA, Verizon, Inc. - NY, Verizon, Inc. - MD, Verizon, Inc. - NJ, Verizon South Inc., Pacific Bell, Pacific Bell Wireless, Quest Corporation, Sprint Spectrum, L.P., Sprintnet, Bell South, Comcast Cable Communications, Virgin Mobile, AT&T Wireless, MCI, MCI Worldcom Wireless, TSR Wireless, Arch Wireless Hldgs, SWB PacBell, Metro PCS, Cellular One, and Page Plus Communications) provide the Federal Bureau of Investigation with subscriber information for any and all telephone numbers, both published and non-published, which are identified by use of said registering device, as well as any custom calling feature such as speed dialing and call forwarding information for such telephone numbers. A United States Magistrate Judge may order disclosure of such information pursuant to Title 18, United States Code, Sections 2703(c)(1)(B) and (d).

12. The United States further requests that the Court order Metro PCS and any other person or entity whose assistance may facilitate execution of this Order to notify the Federal Bureau of Investigation of any changes relating to **412-277-2555**, and to provide prior notice to the Federal Bureau of Investigation before terminating or changing service to the cell phone number.

13. The United States further requests that the Court order that the Federal Bureau of Investigation and the applicant have access to the information collected by the pen-trap devices

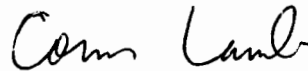

as soon as practicable, twenty-four hours per day, or at such other times as may be acceptable to them, for the duration of the Order.

14. The United States further requests, pursuant to 18 U.S.C. § 3123(d)(2), that the Court order Metro PCS and any other person or entity whose assistance facilitates execution of this Order, and their agents and employees, not to disclose in any manner, directly or indirectly, by any action or inaction, the existence of this application and Order, the resulting pen-trap devices, or this investigation, unless and until authorized by this Court, except that Metro PCS may disclose this Order to an attorney for Metro PCS for the purpose of receiving legal advice.

15. The United States further requests that this application and any resulting Order be sealed until otherwise ordered by the Court, pursuant to 18 U.S.C. § 3123(d)(1).

16. The United States further requests that the Clerk of the Court provide the United States Attorney's Office with certified copies of this application and Order, and provide copies of this Order to the Federal Bureau of Investigation and Metro PCS upon request.

17. The foregoing is based on information provided to me in my official capacity by agents of the Federal Bureau of Investigation.
